

2011 Closing Day
Criteria for Judging
Hors d' Oeuvres Contest

Last year's winner will select three people to be judges of this contest. Judges will use the following criteria for first, second and third places:

Taste – flavor, texture, overall taste

Creativity – homemade, semi-homemade, store bought

Appearance - appealing, appetizing

Judging – ten points for each category
award for 1st, 2nd, and 3rd place
tie-breaker to be decided by judges

This year we will be going back to the way this event used to be held. All hors d'oeuvres will be judged individually, not as a club.

Each contestant will register with the DYC person in charge of contest and will be given a number to place by their hors d' oeuvres on the table.

After the judging, hors d'oeuvres will be available for all attendees to consume!
